PROJECTS

Too Good to Waste

<https://github.com/dmadon/too-good-to-waste> | <https://too-good-2-waste.herokuapp.com/>

- This application seeks to help address the problem of food waste in America by allowing grocery stores to pre-package boxes of close-to-expiration foods and sell them at a reduced price.
- Contributed all back-end processes and integrated the Stripe payment platform.
- MongoDB, Express, React, Node (MERN Stack), Mongoose, GraphQL, Apollo Server, Chakra UI, React Google Maps API, bcrypt, JavaScript.

Absence Reporting Tool

<https://github.com/dmadon/absence-reporting> | <https://absence-reporting.herokuapp.com/>

- A practical business tool that allows a user to request time off from work. The employee's supervisor is notified by email of the absence requests and, when logged in, can easily approve or deny the absence from an approval queue.
- Contributed all front-end and back-end code to this project.
- mySQL, Sequelize, Express, Node, Handlebars, Nodemailer, bcrypt, JavaScript.

Note Taker

<https://github.com/dmadon/note-taker> | <https://note-taker-module11.herokuapp.com/>

- A simple tool for writing and saving notes and reminders. Users can create new notes and add them to a list of saved notes. Notes may also be edited or deleted.
- Contributed all back-end code to this project. Front-end code was provided.
- Node, Express, JavaScript

WORK EXPERIENCE

Office Manager, Elementary Academic Services Department

Plano Independent School District

March 2017 – Current

Plano, TX

- Allocate and manage an approximately \$600,000.00 budget for Elementary Academic Services department.
- Maximize budget savings to the district by comparing and negotiating vendor prices.
- Place orders for goods and services and manage the release of payment upon completion of orders.
- Facilitate the timely reconciliation of staff corporate credit card statements and travel reimbursements.
- Mentor new support staff on district processes and procedures to achieve maximum production.
- Ensure compliance with district retention schedule by maintaining electronic and physical filing systems.
- Manage office operations while scheduling appointments for department managers.
- Verify and reconcile absence reports for all department staff monthly.
- Assign travel and leadership stipends to department staff for each fiscal year.

Key Accomplishments:

- Built a budget tracking system for the Federal Grants Department which facilitated the tracking of estimated and actual expenses by project, budget line, and spending category using Microsoft Access.
- Nominated for the Superintendent's Service Award, February 2020. This is an award for district support staff who consistently exceed expectations.

Secretary, Elementary Academic Services Department

Plano Independent School District

February 2007 – March 2017

Plano, TX

- Recorded and tracked operational expenses to identify and eliminate wasteful spending.
- Booked airfare, hotel, and ground transportation to coordinate office travel.
- Maintained office supplies inventory by checking stock and ordering new supplies.
- Created and updated records and files to maintain document compliance.
- Responded to emails and other correspondence to facilitate communication and enhance business processes.

Key Accomplishments:

- Built a reporting system used district-wide for providing progress reports to parents of kindergarten through second-grade students using Microsoft Access.
- Nominated for the Superintendent's Service Award, February 2014.

EDUCATION

Professional Certificate, Full Stack Web Development

Southern Methodist University, Dallas, TX

May 2022 - November 2022
